Hi Andrew and Paula,

This sounds great. Paula, please let me know what I can do to facilitate. I was out part of last week for a family funeral but am back in the office this week and next.

Regards,
Suzanne

Hi Suzanne,

We are looking into the possibility of having you provide additional assistance on the Upper Animas Site. The RPM Paula Schmittdiel is looking at the IA scope to see if the work fits. If the scope of her work fits, she is going to put together a scope of work and get a cost estimate. From there, we can figure out whether the current funds can cover the work, or whether we need to add additional funds. I'm going on vacation for a couple of weeks, and she may send something to you before I get back (scope). I'll be back on 6/2. If there are any questions, we can address them then and then move forward if needed.

Thanks!

Andrew
